Good afternoon (b)(6)(b)(7)(C),

Below is an inquiry regarding an upcoming BP Academy graduation ceremony. Would you happen to have any knowledge on the subject so that I may address the staff appropriately? I asked BP about this and they sent me your way. Any information you may have would be appreciated.

Dear CBP Congressional Liaison:

Senator Stabenow has been contacted by a constituent of hers regarding the CBP 's Border Patrol Academy and a graduation ceremony which is scheduled for the near future. The message I was asked to look into states: "... the Academy didn't perform background checks beforehand and now some people aren't allowed in for their children's graduation." Is this accurately describing requirements of visitors to the Academy? If so, was there a timely request from Academy administrators to Academy attendees to submit names and other identification information of those family and friends they wished to invite to their graduation ceremony?

Thank you for your assistance with this issue. I look forward to hearing back from your agency shortly.

Sincerely,
